The PRIA date has been pushed from Jan 8 to Jan 12<sup>th</sup>, so while that is a couple of more days (mostly over the weekend), if we need to address anything due to the comments, we will need to do it quickly.

Thanks,

Both documents include the stewardship Plan, however, just the title heading, no details except identify bullet points of Monitoring, Education, Training, and Certification.

FYI. There are 2 documents, a terms of conditions document and the decision memo. They have asked we review both. They are requiring the rest of the Tier 1 honey bee data (and then the higher tiers as conditional) as a condition of this registration.

**Subject:** Aldicarb - Request for review of working memos (Q&As and Draft Decision Memo)

Hi Team,

We have created new folder on the OneDrive for the most current working documents for aldicarb (Aldicarb Working Documents 12-23-20). We are hoping that we can get comments from the team on the Q&As and Draft Decision Memo before noon Tuesday (1/5/2021) if possible. While we know these memos are still rough and some things are already

noted as needing a second look, we believe we would greatly benefit from team comments, and appreciate any and all that you have to offer. Here is the link:
